1 April 2021

To all Seasons residents and families

COVID-19 UPDATE

As you may have seen from media reports this morning, the Chief Health Officer has lifted the “lockdown” restrictions from 12 pm today 1 April 2021.

This is good news for us going into Easter and will allow us to accept visitors to Seasons.

However, we do require that everyone visiting Seasons continues to wear a mask while they are onsite, including when they are in the apartment of their loved one. Staff will also continue to wear masks while they are at work. This arrangement will stay in place for 2 weeks as per the directions of the Chief Health Officer.

We also ask everyone onsite to maintain social distancing and be vigilant with their hand hygiene.

If residents wish to leave the community to go out over the next two weeks, we ask that you consider the need to go out and where you are going. We also ask that if you do go out, that you take and use a mask as required by the directions issued this morning. Keep an eye on the contact tracing website <https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/current-status/contact-tracing> for locations of interest.

This applies to ALL Seasons Communities.

If the situation changes, we will be sure to update you as soon as possible. If you hear nothing from us, then assume we are operating under the same arrangements as we are currently. If you are on facebook, then keep an eye on our facebook page/s; we post regular updates there and can sometimes do this quicker than mass emails to residents and families. Major changes will of course be communicated in a letter such as this.

As always, if you have any questions or require clarification, please contact me on t.silvester@seasonsliving.com.au or your local Community Manager.

Yours sincerely

Tracey Silvester
CEO
